## FOUNDATIONS TA SEMINAR #4

### What is Conflict and the Classroom and How to Deal With it?

Conflict can happen both in and out of the classroom. As a TA, what have been your experiences? What are your concerns? How can you be proactive and minimize conflict in your course? Can you identify the worrisome signs? If so, how do we deal with them? In this workshop an emphasis will be put on prevention techniques and management tools, as well as providing resources. However, this is a “burning issues” discussion based on your needs or questions you submit confidentially in advance to the facilitators. Bring your own questions, but be prepared to help answer others’ questions by sharing your own experiences and strategies.

**Facilitator: Aidan Moir, Senior TA, Teaching Commons**

**12:30-2, Thursday November 1, N829 Ross.**

All TAs are welcome to attend. NEW first time Foundations TAs will be paid **one hour** compensation at the CUPE overload rate. This workshop counts towards the Record of Completion Certificate offered through the Teaching Commons. For more details, visit the [Teaching Commons website](#).
