

New College Proudly Presents

Disasters for Dummies - WORKSHOP

What is a disaster?

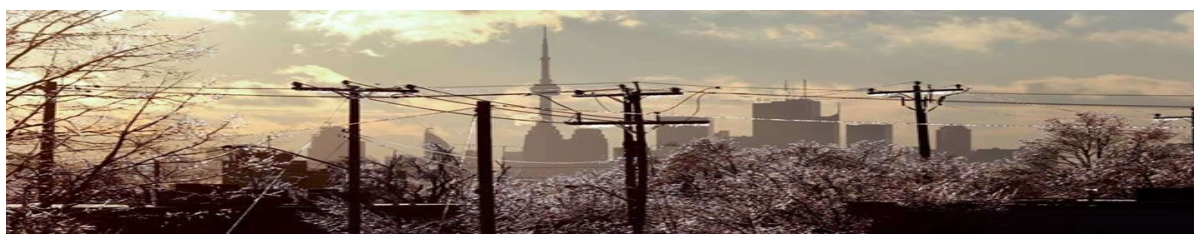

What you can do when a disaster strikes
Behind the scenes - disaster preparedness
Experience your first disaster simulation

In December 2013, Toronto experienced a winter/ice storm that left hundreds of thousands without power in Ontario and Quebec. Authorities worked frantically to clear tree-strewn roads, clear sidewalks and restore power to most of the city.

Disasters leave behind devastation, severe disruptions to life, and loss of life in many cases.

Come join us and participate in a disaster simulation and earn a certificate!
